

EDUCATING TOMORROW'S LAWYERS...  
**TO SERVE  
TOMORROW'S CLIENTS**

**6<sup>TH</sup>** ANNUAL  
EDUCATING TOMORROW'S LAWYERS  
**CONFERENCE**  
OCTOBER 5-7, 2017

As the institutions entrusted with educating lawyers, law schools are uniquely positioned to ensure that new lawyers are not only prepared to enter the profession, but also to serve clients and develop better models for meeting the needs of legal consumers.

The 2017 Educating Tomorrow's Lawyers Conference puts clients front and center by exploring client needs; by showcasing lawyers, organizations, and others leading the way to improved delivery of legal services; and by tapping into the collective wisdom of innovative legal educators to bring these concepts to life in law schools.

We are grateful to AccessLex Institute and LexisNexis for their generous support of this conference.

# A THANK YOU TO OUR CONSORTIUM

*Educating Tomorrow's Lawyers* partners with law schools that are committed to our mission of aligning legal education with the needs of an evolving profession. We work with a wide range of law schools across the country and we are especially grateful to the schools below, which joined our Consortium during our formative years. While we no longer have a formal Consortium, we gratefully acknowledge the participation of our partner schools and their deans and faculty who are committed to making a difference in the way we educate tomorrow's lawyers.
